SHORT DESCRIPTION

Language Tool is an AI-based spelling, style, and grammar checker that helps correct or paraphrase texts across languages.

MAIN FEATURES

AI writing assistant: it goes beyond fixing spelling, grammar, and punctuation errors by also offering advanced stylistic suggestions and paraphrasing features. Its easy-to-use and distraction-free interface ensures that you focus on writing while it focuses on correcting.

It can be used almost anywhere: **Microsoft Word**, its open-source equivalents **OpenOffice** and **LibreOffice** as well as **Google Docs** and major browsers like **Chrome**, **Edge**, **Firefox**, **Safari** and **Opera**. You can also copy and paste your text into the simple web interface or use it from email clients like Gmail, **Apple Mail** and **Thunderbird** or the **macOS** or **Windows** desktop apps.
